

A close-up photograph of a FLIR H-Series thermal imaging camera. The camera is black and silver, with a textured grip and several buttons on top. It is resting on a dark, textured tactical bag. The lens is visible at the front, and a small FLIR logo is on a strap attached to the side.

# FLIR H SERIES

TACTICAL THERMAL NIGHT VISION

## SEE AT NIGHT, STAY SAFE

FLIR H-Series set the industry standard for law enforcement thermal imaging cameras and continues to deliver images and video that torments suspects and keeps officers safe. Being able to see clearly in total darkness enhances mission effectiveness, maximizes operational capabilities, and improves officer safety.

With a variety of lens options and onboard image storage and video capture capabilities, H-Series is a potent thermal imaging package for:

- K-9 operations
- Limited response calls
- Daily patrol
- Reconnaissance & surveillance ops
